RE: Waiver of Tap Fee

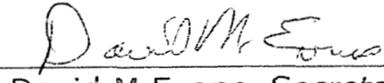

Dear Ms O'Donnell

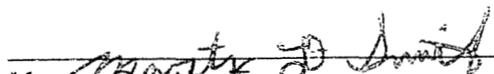

Magistrate Jerry Hamilton of the Knox County Fiscal Court requested a water tap for the Sandy Branch area of Flat Lick due to residents not having any water. He said six families were completely out of water. The area does not have city water but they are located close to the end of our main line. He wanted the District to waive the tap fee according to KRS 278.170 (2) for the Knox County Fiscal Court

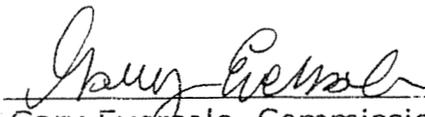

This is notification of waiver of the District's tap fee according to KRS 278.170 (2) for the Knox County Fiscal Court. A temporary water tap was set on Wednesday October 9th for the residents use. The Knox County Fiscal Court signed a Water Contract as the responsible party for water usage at this tap.
